LAHAINA YACHT CLUB CELEBRATES 50 YEARS ON JUNE 20, 2015

Join us to celebrate 50 years of the Lahaina Yacht Club under the stars at the beautiful Sheraton Maui on the world famous Kaanapali Beach. Dinner, dancing and no host bar between 5PM - 10PM Saturday, June 20, 2015. Be a part of this historic event! Tables may be reserved for 10 guests. Please email events@lyc.us with ALL names. Ticket Sales close June 16th at noon. No tickets sales at the door. Details online: www.lyc.us.

We will revisit the history of the club with old photos, Tale of the Whale Archives and other memorabilia. If the walls could talk there would be some great stories! Pay tribute to the 27 Charter Members, ocean-racing and cruising yachtsmen who sailed to Lahaina and made it their home port. These residents, friends and sailors formed Lahaina Yacht Club at a Spring meeting in the old Anchor Cove on Front Street. In 1965 the board consisted of Bob Hoehn (Commodore), Floyd Christensen (Vice Commodore), Jack Ackerman and Jerry MacDonald (Rear Commodores), Jim Greenan & John Lawson (later Rear Commodores), Dick Fairservice (Port Captain) and Carolynn Fairservice (Secretary/Treasurer). The burgee was designed by Sam Kaai who won the burgee contest, a white whale in a red field, Lahaina’s traditional colors. LYC was incorporated as a non-profit club on June 21, 1965.

The photo was provided by Alex Smith. His dad was involved with LYC. As we still learn the history and faces in the photograph we have been able to identify Charter Members Floyd Christensen who is holding the whale plaque and John Lawson to the right of Floyd in the back row.

We are off to a great start! Opening day on the last Sunday of March was a huge success and thanks to our new Port Captain Crissy, we never ran out of food or beverages, and we even had a DJ for entertainment. Thank you to all the volunteers that showed up early to make this happen, some as early as 6am to tape off the area. Our Junior sailors were showing their skills and taking members out on the Fevas. What a great day!

Talking about Junior Sailors, they did great again competing against Hawaii Kai in February. We sure have some real sailors in the club. Also, one of our juniors (Kane) competed at nationals in Miami; he took 9th overall. Congratulations Kane!

As part of an expansion of Vic Maui to further build the relationship between the two clubs, we are trying to get the two junior sailing teams from both clubs to compete and hope to see Royal Vancouver Yacht Club next year sailing in warm waters. We hope this will be a yearly event with one year in Vancouver, BC and one year in Lahaina.

A lot of changes have happened over the past 6 months and the most successful was to make Sunday a family day where the Club serves food and all families are free to enjoy the facilities. Another change has been opening on major holidays. Easter brunch was fantastic thanks to chef Ken and his staff.

Please check our website for upcoming events as we have a busy year planned. The 50th anniversary on June 20 is one of the biggest events! We have secured JD and Harry for music so please come join us for dinner, cocktails and fun at the Sheraton lawn.

See you in the club or on the water.
May your boat be leak free.
May your sails be in good repair, and your engine start.
May the winds be fair, the weather kind.
May your days be filled with the exquisite pleasure of new adventures, fabulous destinations and excellent friendship.

Aloha All,

What does The Lahaina Yacht Club have in common with the Pillsbury Doughboy, Charlie Sheen, the bands The Who and The Grateful Dead, the movies Sound of Music and Beach Blanket Bingo and our nation’s Medicare and Medicaid programs? Well in 2015, they all have been around for 50 years. Turning 50...it’s a big deal. Many of us (like me) may have put that milestone aside but trust me, I do remember my 50th vividly. 50 is a pretty cool number in my opinion.

Fifty years ago our Club’s founding fathers envisioned a place where individuals who have a love for all things ocean could gather in friendship and comradery. It was to be a Club that perpetuated boating and ocean activities and would also provide a highly social and fun environment for its members. I’d like to think that we have been doing a pretty good job over these 50 years of keeping that legacy going and hope that we have continued to steer our course in the direction that our founding fathers and charter members can be proud of.

So whether you have hit 50 or not, you do have a great opportunity as an LYC Member to celebrate The Lahaina Yacht Club’s 50th Anniversary! What kind of things are happening for members to join in the celebration of our 50th Anniversary? Well for starters there are both men’s and women’s aloha shirts and golf shirts along with Tervis tumblers sporting our commemorative 50th Anniversary LYC logos available for sale. There will a fantastic coffee table book (coming soon) with 50 years of photos and memories from LYC, and of course the 50th Anniversary Gala Dinner ocean front at The Sheraton Maui on June 20th so get your tickets now before it sells out.

By the way, LYC has also set up special room rates at the Hotel for our members over that weekend so see the LYC website for details on how to get your tickets and book hotel rooms for the event and make it your LYC 50th party “Staycation”!

Hope you have a chance to take advantage of the various opportunities for The Lahaina Yacht Club’s 50th year celebration. As I said earlier, I think 50 is a great number, I mean when else can I talk about Charlie Sheen and LYC in the same sentence!

Aloha and see you on the water or in the Club!

Mike Masterson

The season has started! Opening day was a blast as usual. The kids sailed the RS Fevas up to introduce club members to the fun of these great boats. This year the wind cooperated and several people were introduced to the boats.

The Spring Series is in the can and all the boats showed flashes of brilliance. The series got off to a solid start on February 28th. The North winds rumbled down the channel and kept the sailors and RC on their toes with zero to 20 on the course. Event #2 was again influenced by North wind and the boats raced outside the mooring field. #3 was off Puamana and featured some of the tightest racing in the past few years!

Unfortunately we did not get the first dinghy event off due to some logistic issues, but its a long season! We did get some visiting sailors from the Royal Hong Kong Yacht Club who hopped in a Feva and chased our teams around the course at Mala. Nice to have the added competition!

Speaking of Competition the 3rd Annual Dinsmoor is in the works for August 22-23. The NOR is published and the sailors are frothing. The earlier schedule will ease some conflicts and allow better participation.

Sailing continues to grow with the LYC. There are more and more opportunities to get on the water for all ages.

Aloha,
Ian

Congrats to the Sacred Hearts kids for completing their sailing program at LYC! Mahalo to their Teacher, Fleet Captain and Volunteers for their time and efforts!
Welcome to Spring everyone! It has been a rough winter for all who have been on the ocean. We welcome the new season with the beginning of fishing season. Coming up on May 30th is the Spring Wahine Fishing Tournament! First is our own “Mixer” on April 12, which is an opportunity for the ladies who want to fish to meet the fishermen who may have boats to support them. Posters have been placed in areas and businesses that may attract the likes of both. LYC is trying to bring back the attraction of the Wahine Tournament that in the past has been such a fun filled event! Last year we only had 6 boats involved. The ladies still had a great time, but with a lot more publicity we are hoping for a much greater turn out. This is a tournament for the ladies to go on a boat and be the ones who bring in the catch. Maybe it will be a huge pacific blue marlin? We will have prizes for the 3 biggest fish! Chances are good that you could be the one to win a fishing tournament!

Ladies, go round up your girlfriends and find someone who has a boat and get in this event! The entry is $200 per boat and up to (4) anglers. Each additional angler $50. If we have just 10 boats the prize will be $2000, not a bad day of fishing and getting a great Maui tan! If it goes as well as we hope, we will have another one in the fall on Oct. 30, the day before the Lahaina Jackpot Tournament.

Come on out and make Maui and LYC proud of our Wahine fisherwomen!

Any questions please email, RCpower@lyc.us

LAHAINA YACHT CLUB CELEBRATES 50 YEARS ON JUNE 20, 2015

Join us to celebrate 50 years of the Lahaina Yacht Club under the stars at the beautiful Sheraton Maui on the world famous Kaanapali Beach. Dinner, dancing and no host bar between 5PM - 10PM Saturday, June 20, 2015. Be a part of this historic event! Tables may be reserved for 10 guests. Please email events@lyc.us with ALL names. Ticket Sales close June 16th at noon. No tickets sales at the door. Details online: www.lyc.us.

We will revisit the history of the club with old photos, Tale of the Whale Archives and other memorabilia. If the walls could talk there would be some great stories! Pay tribute to the 27 Charter Members, ocean-racing and cruising yachtmen who sailed to Lahaina and made it their home port. These residents, friends and sailors formed Lahaina Yacht Club at a Spring meeting in the old Anchor Cove on Front Street. In 1965 the board consisted of Bob Hoehn (Commodore), Floyd Christensen (Vice Commodore), Jack Ackerman and Jerry MacDonald (Rear Commodores), Jim Greenan & John Lawson (later Rear Commodores), Dick Fairservice (Port Captain) and Carolynn Fairservice (Secretary/Treasurer). The burgee was designed by Sam Kaai who won the burgee contest, a white whale in a red field, Lahaina’s traditional colors. LYC was incorporated as a non-profit club on June 21, 1965.

The photo was provided by Alex Smith. His dad was involved with LYC. As we still learn the history and faces in the photograph we have been able to identify Charter Members Floyd Christensen who is holding the whale plaque and John Lawson to the right of Floyd in the back row.
